## **WEATHER ADVISORY – DPW SNOW STORM INFORMATION**

---

The Department of Public Works is anticipating a significant winter storm arriving Saturday afternoon and ending Sunday afternoon according to all Weather Briefs we have received.

The Department is fully stocked with salt and anti-skid materials. All plow trucks have been maintained and are ready to be dispatched. As always, we at the Department of Public Works will work on Primary & Secondary Routes first so as to keep Emergency and Hospital routes clear.

To facilitate our efforts to clean roads in a timely manner, we are requesting that residents and visitors stay off of the roads whenever possible during this winter storm.
