Dear Educators and Artists,

Attached please find an informational flyer for the City of Scranton's Pool Murals Program to be held this summer at our neighborhood pool sites.

Please read, feel free to copy and distribute to your students, as we would love to have their participation in making this project a success. There is no charge for the two workshops, nor is there any charge or commitment needed to join us in creating these neighborhood works of art. All the students need do is attend one of the workshops or call the Parks Office to be included in this exciting project. All ages and abilities are welcome.

Hope that with your help, together we can translate these children's visions into reality in their neighborhoods.

Sincerely yours,

Sandra Opshinsky
Recreation Specialist
