

Governor Tom Wolf has declared a State of Emergency due to impending Winter Storm Quinn. As such, City Hall will be closed Wednesday, March 7, 2018.

Additionally, we encourage you to refrain from parking downtown to help facilitate snow removal. To alleviate any inconvenience this may cause, please be advised that parking garages in the downtown will be offering parking at a reduced rate of \$5 beginning at noon tomorrow, March 7, 2018 until noon on Thursday, March 8, 2018.
