FDD: 570/348-4223

IMPORTANT NOTICE FOR ALL APPLICANTS

PLEASE READ THIS APPLICATION OVER CAREFULLY. IF NOT COMPLETELY FILLED OUT WITH APPROPRIATE DOCUMENTATION ATTACHED YOUR APPLICATION MAY NOT BE APPROVED.

Every year, the demand for Community Development Block Grant Program (CDBG), HOME Investment Partnership Program (HOME Program) and Emergency Solutions Grant Program (HESG) funds exceeds the amount available to the City of Scranton. The City is therefore committed to funding projects that are ready to proceed immediately after agreements with the City are executed and can be completed within a year or within an eighteen-month period. Unspent funds remaining at the end of the agreement term may be reprogrammed (allocated to other pertinent uses) by Scranton City Council. Plan your proposed projects accordingly.

If approved for funding, agencies may not submit a request to revise the “project category” OR the “project description” listed in the application form. However, the City of Scranton’s Office of Economic and Community Development (OECD) reserves the right to make revisions to the proposed scope of work/scope of services and/or budget line items during contract negotiations in order to improve the benefit to low to moderate-income City residence and/or communities to be served.

Finally, these funds, if awarded, are NOT an on-going source of support. If you receive funding this year, there is no guarantee that approved projects will receive funding in subsequent years especially if the performance of the agency did not perform satisfactorily or expended funds in a timely manner.

SCRANTON, PENNSYLVANIA EMERGENCY SOLUTIONS GRANT PROGRAM (ESG)

Disclaimer Regarding Program and Regulations

On May 20, 2009, President Obama signed the Homeless Emergency and Rapid Transition to Housing (HEARTH) Act of 2009. The HEARTH Act amends and reauthorizes the McKinney-Vento Homeless Assistance Act with substantial changes, including:

- A consolidation of HUD's Continuum of Care competitive grant programs;
- The creation of a Rural Housing Stability Program;
- A change in HUD's definition of homelessness and chronic homelessness;
- A transformation of the Emergency Shelter Grant Program into the Emergency Solutions Grant Program; and,
- An increase in the emphasis on performance.

The Emergency Solutions Grant (ESG) is a federally funded program through the U.S. Department of Housing and Urban Development (HUD). The City of Scranton will receive approximately **\$180,000.00** for **2014** for use in emergency shelters for the homeless; for the payment of certain operating and social services expenses in connection with direct assistance to the homeless.

Scranton has developed its five-year Consolidated Plan (Plan) (2010-2014) as required by HUD, 24 Code of Federal Regulations, Part 91. The Plan serves as an application for Federal funds and as a strategic planning document which sets forth the program's goals, specific objectives, annual goals, and benchmarks for assessing performance in meeting the said goals and objectives. The One-Year Action Plan, which identifies our annual activities, must address the priority needs and specific objectives identified by the Plan. All applicants and proposed activities must meet HUD ESG eligibility guidelines to be considered for funding. This program was previously known as the Emergency Shelter Grants Program, but its scope, eligible activities, and requirements changed significantly under the Homeless Emergency and Rapid Transition to Housing (HEARTH) Act of 2009, whose regulations were released for effect in early 2012. ESG regulations outline eligible activities that each project must meet.

ESG APPLICATION PROCESS: (One Original and One Copy are required for Submittal: No Facsimile Applications will be accepted). **PROPOSED ESG APPLICANTS WILL ONLY BE CONSIDERED IF THE ESG APPLICATION HAS BEEN COMPLETED IN ITS ENTIRETY.**

All applications must be submitted by mail or hand-delivered no later than 4:30 p.m. on Friday, August 9, 2013.

**City of Scranton
Office of Economic and Community Development
Municipal Building
340 North Washington Avenue
Scranton, Pennsylvania 18503
Phone: 570/348-4216**

Applications delivered after 4:30 p.m. or postmarked after the above deadline will not be considered for funding. It is the applicant's responsibility to ensure that the application is delivered or postmarked on time.

Applications will be available from the Office of Economic and Community Development or can be downloaded on line at www.scrantonpa.gov. Go to Department, OECD, Applications, ESG 2014 Application.

NOTE: Only the President, Vice President, or Directors of an entity has the authority to enter into and bind these entities to the sub-recipient agreement. If an authority has been delegated, a copy of the resolution by the agency board must be submitted with the application.

The City of Scranton's Office of Economic and Community Development (OECD) will make available to Non-Profit organizations all Emergency Solutions Grant Program funds except for the allowable 7.5% percent for Administration after the City of Scranton receives its grant award notice from the U.S. Department of Housing and Urban Development (HUD).

BACKGROUND

The original Homeless Assistance Grants were originally established by the Homeless Housing Act of 1986, in response to the growing issue of homelessness among men, women, and children in the United States. In 1987, the Emergency Shelter Grant Program was incorporated into subtitle B of title IV of the Stewart B. McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378). In May 2009 the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act was signed; establishing the newly reauthorized and updated Emergency Solutions Grant Program. This program is still the first step in a continuum of homeless assistance operated by HUD. Since its inception and incorporation into the McKinney-Vento Act, the ESG Program has helped States and localities provide facilities and services to meet the needs of homeless people.

Eligible Applicants

Eligible sub-recipients are private nonprofit organizations located in or serving Scranton, Pennsylvania.

24 CFR Part 58 - Environmental Review

As part of ESG requirements prior to the Release of Funds being issued (which allows contracts to be executed) an Environmental Review Record must be completed. Most of our recently funded activities have been classified, by their nature, as either Categorical Excluded or Exempt. With these activities we are not required to complete an environmental assessment. Occasionally ESG funds an activity that does require a complete environmental assessment.

To avoid limiting funding to activities not requiring environmental assessments, ESG is implementing an additional requirement of those applicants. Sub-recipients receiving ESG funding for activities that require environmental assessments must have an environmental assessment done at their own cost and furnish the ESG department with a copy. To comply with ESG regulations, these environmental assessments must be received by ESG staff no later than June 15th of the funding year.

- If project involves a building / facility rehabilitation, is the building or facility on the National Register of Historic Places. Is it part of a local historic district?
- What year was the building constructed? What was its prior use?
- Does the Department have any information concerning previous or existing environmental conditions on site? If so, provide a description. Identify any key environmental studies that have been initiated or completed to satisfy NEPA.

Has the Department already completed any site remediation and/or abatement activities at this site? If so, provide a description. If awarded ESG funds, a copy of the final closure reports must be provided.

In accordance with 24 C.F.R. Part 58.22, the applicant agrees to refrain from undertaking any physical activities or choice limiting actions until the City of Scranton's Office of Economic and Community Development has approved the project's environmental review. Choice limiting activities include acquisition of real property, leasing, repair, rehabilitation, demolition, conversion, or new construction. This limitation applies to all parties in the development process, including public or private nonprofit or for-profit entities, or any of their contractors.

This certification does not constitute an unconditional commitment of funds or site approval. The commitment of funds to the project may occur only upon satisfactory completion of the project's environmental review in accordance with 24 CFR Part 58 and related environmental authorities. Provision of funding is further conditioned on the City of Scranton's Office of Economic and Community Development's determination to proceed with, modify, or cancel the project based on the results of the environmental review.

The applicant agrees to abide by the special conditions, mitigation measures or requirements identified in the City of Scranton's Office of Economic and Community Development's environmental approval and shall ensure that project contracts and other relevant documents will include such special conditions, mitigation measures or requirements.

Until the City of Scranton's Office of Economic and Community Development has approved the environmental review for the project, neither the applicant nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance to the project or activity.

The applicant agrees to provide the City of Scranton's Office of Economic and Community Development with all available environmental information about the project and any information which the City of Scranton's Office of Economic and Community Development may request in connection with the conduct and preparation of the environmental review, including any reports of investigation or study which in the City of Scranton's Office of Economic and Community Development's opinion is needed to fulfill its obligations under HUD environmental requirements.

The applicant agrees to advise the City of Scranton's Office of Economic and Community Development of any proposed change in the scope of the project or any change in environmental conditions, including substantial changes in the nature, magnitude, extent or location of the project; the addition of new activities not anticipated in the original scope of the project; the selection of an alternative not in the original application or environmental review; or new circumstances or environmental conditions which may affect the project or have bearing on its impact, such as concealed or unexpected conditions discovered during the implementation of the project or activity.

CERTIFICATIONS

I, _____ (name and title of official), duty to act on behalf of the _____ (name of applicant), certify that if awarded Emergency Solutions Grant funds, I will comply with the following as appropriate:

(1) The requirements of 24 CFR 576.25(b)(2) concerning the submission by nonprofit organizations applying for funding of a certification of approval of the proposed project(s) from the unit of local government in which the proposed project is located.

(2) The requirements of 24 CFR 576.53 concerning the continued use of buildings for which Emergency Solutions Grant funds are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services, concerning the population to be served.

(3) The building standards requirements of 24 CFR 576.55;

(4) The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.

(5) The requirements of 24 CFR 576.57, other appropriate provisions of 24 CFR Part 576, and other applicable Federal law concerning nondiscrimination and equal opportunity.

(6) The requirements of 24 CFR 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

(7) The requirements of 24 CFR 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.

(8) The requirements of 24 CFR 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the Emergency Solutions Grants Program and that the address or location of any family violence shelter project assisted with Emergency Solutions Grants funds will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.

(9) The requirement that recipients involve, to the maximum extent practicable, homeless individuals and families in constructing, renovating maintaining, and operating facilities assisted under the ESG program and in providing services for occupants of these facilities as provided by 24 CFR 576.56(b)(2).

(10) The requirement of 24 CFR 576.21(a)(4) which provide that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services meet the following standards:

(A) That the inability of the family to make the required payments must be the result of a sudden reduction in income;

(B) That the assistance must be necessary to avoid eviction of the family or termination of the services to the family;

(C) That there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and

(D) That the assistance must not supplant funding for preexisting homeless prevention activities from any other source.

(11) The new requirement of the McKinney-Vento Act, 42 USC 11301, to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.

(12) The Drug Free Workplace requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.

I further certify that I will comply with the provisions of, and regulations and procedures applicable under, section 104(g) of the Housing and Community Development Act of 1974 with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 CFR Part 58.

I further certify that the submission on an application for an emergency shelter grant is authorized and that I possess legal authority to carry out emergency solutions grant activities in accordance with applicable law and regulations of the Department of Housing and Urban Development.

Conflict of interest Certification

Grantees and their recipients must avoid any conflict of interest in carrying out activities funded by federal grants dollars, such as the Emergency Solutions Grants program. Generally, this means that a person who is an employee, otherwise in a decision-making position, or has information about decisions made by the organization (such as an agent, consultant, officer or elected or appointed official of the grantee or recipient) may not obtain a personal or financial interest or benefit from the organization's activity, including through contracts, subcontracts or agreements. This exclusion continues during the employee's tenure and for one year following employment.

As part of general guidelines for the procurement of goods and services using federal funding (such as ESG), grantees and recipients are required to have a "code of conduct" in place that prohibits employees, officers or agents of the organization from participating in the decision making process related to procurement if that person, or that person's family, partner or any organizations employing any of the above has a direct financial interest or benefit from that procurement. In addition, these persons may not accept any gratuity, favors, or anything of monetary value from a contractor, consultant or other entity whose services are procured for the organization. Organizations should develop standards for avoiding such apparent or potential conflicts. Such standards may include for example a written policy that is part of the employee policies. Often, employees are required to sign a statement indicating that they have read the policy and will comply. This signed statement then becomes part of the employee's personnel file.

The federal regulations at 24 CFR 576.57 (d) describe the conflict of interest requirements as follows:

(i) 24 CFR 576.57

d. Conflicts of interest. In addition to the conflict of interest requirements in OMB Circulars A-102 and A-110, no person –

1.
 - i. Who is an employee, agent, consultant, officer, or elected or appointed official of the grantee, State recipient, or nonprofit recipient (or of any designated public agency) that receives emergency shelter grant amounts and
 - ii. Who exercises or has exercised any functions or responsibilities with respect to assisted activities, or
2. Who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds there under, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure, or for one year thereafter. HUD may grant an exception to this exclusion as provided in 570.611 (d) and (e) of this chapter.

I have read the Conflict of Interest Statements and I agree to abide by the principles embodied therein.
